CLASS OF 1952
DALTON HIGH SCHOOL
PRESENTS THIS YEAR'S

L U A N N A

An Annual is a mirror of the year's work, a permanent and welcome record of the events and personalities which have combined to make the school year.

The year 1951-52 has witnessed the completion of many changes in the Dalton Local Schools, especially on the elementary level - and any change here is bound to have its ultimate effect upon the high school personnel.

We, of the 1952 Luanna Staff, feel that we are particularly fortunate that it fell to our lot to bring to you these scenes which portray the fulfillment of so many dreams and aspirations on the part of both parents and friends of our school.

We sincerely trust that the readers of this book will derive a sense of satisfaction and well being for our school such as we have had in compiling this record for you.

We wish to express our deepest thanks to the Staff, student body, and school friends for the splendid cooperation given us. To one and all we say "Thank You."

The Editors

Class History

School Calendar

In the fall of 1948, our train left "Grade School Station" and started towards our destination of higher education. The first part of our journey took us through the Freshman year. Our conductor was Mr. Berg, our engineer was Russell Gerber as President, our fireman was Curtis Sprunger as Vice-President, our hostess was Beverly Lintern as Secretary-Treasurer, and our porter was Donovan Griffith as Sgt.-at-Arms.

The Train Council was as follows: Eugene Hazel, Tom Hammer, and Shirley Wertz. There were fifty-nine people on the train. Thirteen got off during this part of the journey. We had one layover when we stopped the train and had a party at Russell Gerber's, then we continued on our way.

For the second part of our trip we went through our Sophomore year with Mrs. Helen Chovan as our conductor. During the last semester, Mr. Hummel took over the controls. The engineer for this part of our journey was Ronald Amstutz as President, our fireman was Russell Gerber as Vice-President, our hostess was Gwendolyn Graber as Secretary-Treasurer, and our porter was Donovan Griffith as Sgt.-at-Arms.

Eugene Hazel, Kenny Snyder, and Shirley Wertz acted as our Train Council. There were forty-six people with us for this part of the journey and only five got off during the year. This year we purchased sweaters in our class colors of green and white. We had two parties, one at Doris Nussbaum's home and a roller skating party at Skateland in Canton.

As we started out on the third part of our journey we had forty-six passengers. Our conductor was Mrs. Marian Amstutz, our engineer was Russell Gerber as President, our hostess was June Gerber as Vice-President, her assistants were Gwendolyn Graber and Carole Graber as Secretary and Treasurer respectively, and our fireman was Eugene Hazel as Sgt.-at-Arms. Our Train Council for this part of the trip was Harold Hauenstein, Jacqueline Kick, and Peter Huebner.

We had some entertainment during this part of our travels. After numerous postponements due to circumstances beyond our control, we finally presented our class play, "January Thaw," which was a big success. A few of the notable passengers this year were star football players. They were Ronald Amstutz, Russell Gerber, Norman Moser, Eugene Hazel, Charles Laverling, and Harold Hauenstein. They worked and played hard. Some of these boys also played basketball.

Then came the big event, our train halted for the Junior-Senior Banquet, which was a Merry Irish Frolic--this was quite an event. We lost only eight passengers during this part of our journey.

We began the last section of our trip on September 8, 1951, with thirty-eight passengers aboard. Our conductor was Miss Mildred Santschi and our engineer was June Gerber as President, our fireman was Harold Hauenstein as Vice-President, our hostesses were Gwendolyn Graber as Secretary and Lillian Amstutz as Treasurer, our porter was Dale Geisberger as Sgt.-at-Arms. Charles Laverling, Robert Ickes, and Raymond Loomis acted as our Train Council.

We halted on several occasions, the most important of which was the assembling of our Annual. Our rehearsal for this work was the monthly publication of our school paper, "The Barker." We proudly consider these achievements as some of the factors that contributed to our success as a Senior Class. Another great adventure during one of our stops, was the Senior Class Play. We are very proud of the dramatic ability that exists in our class.

Then came our final stop before reaching our destination: The Junior-Senior Banquet. We were guests of the Juniors, who are to be commended for the fine entertainment and the delicious food that was served. We wish to express our appreciation to the Faculty and our many friends who helped us reach our destination.

The Junior Class began with an enrollment of fifty-seven members in September and lost but two during the year. We were glad to welcome Willis Amstutz and Elton Lehman as members of our class. We were also the class who rated the new teacher on the high school faculty, Miss Diane Kollas, as our adviser and homeroom sponsor.

The Student Council members were: Pauline Shaffer, Helen Weimer, and Myron Mumaw. Now that we were upper-classmen many Junior faces appeared in major school activities. We had seven out for Football and five for Basketball. Our class was represented on the Cheerlead-

ing Staff by two Reserve and one Varsity for the Basketball season and one for the Football season.

To help support the football team, nine of our girls were in the Girls' Band and three of the Majorettes were Juniors. We were also well represented in the other Music activities: Mixed Chorus, Band, and Orchestra.

In dramatics our class presented "Double Exposure" in order to finance the Junior-Senior banquet in the spring. We followed through with an assembly program that further displayed our dramatic talents.

At the beginning of the year, the Sophomore enrollment numbered fifty-seven. Six members withdrew during the year, but four others entered. Shirley Peters and Walter Stoll, who had been ill, were able to return during the year. James Neal came from Burbank to stay with us and Leonard Lepley of Killbuck was with us for a while. Mr. Hummel was our Class Adviser and Student Council members were: Jim Swartz, Dick Fischnich, and Ellis Martin.

Early in the year we selected our class colors of grey and red. Another highlight was our class party at the home of Clarabel Douglas. We had a wonderful time playing games and participating in barn dances. Later

in the year, the first section of our history class met at the Hummel home. It was here that the History Club was born. The second section was then entertained by the Hummels on a later date.

Participation in other activities included Clarabel Douglas, Marilyn Nussbaum, and Marcia Haney in the Declamation Contest. Of these, Marcia Haney qualified to go to Columbus in Poetry Reading. For Reserve Basketball there were Carland Charles Kick, George Kelbly, Donferd Nussbaum, Homer Gerber, and Donald Schultz. Later in the season George Kelbly dressed for the Varsity. Clarabel Douglas won a berth on the Varsity Cheerleading team.

We began our first year in Dalton High School with seventy-six members in our class. As soon as we became acquainted with each other, we elected our class officers. After a day of carrying buckets and polishing shoes and an evening of initiation, we emerged full-fledged Freshmen. Mr. Berg was our Class Adviser and our Student Council members were: John Ellis Sprunger, Ronald Hostetler, and Colleen Nussbaum. Our class has made a promising start in all school activities.

Both boys and girls were represented in the sports list. Seven boys tried out for Reserve Basketball. They

were Jim Bolender, Larry Gardner, Bill Sommer, John Ellis Sprunger, Bob Weikert, Paul Wertz, and Nathan Yoho. Nathan was a regular starter on the Reserves. Ima Smith was chosen for both a Football Cheerleader and a Reserve Basketball Cheerleader.

We were honored by having seven of our boys chosen for the Mixed Chorus which is usually comprised mainly of Juniors and Seniors. All the Freshmen girls were in the Glee Club and we were very well represented in the Marching Band, the Orchestra, the Concert Band and in the Music Contest.

In 1950 the Latin classes had a Roman banquet, for which they dressed in Roman style costumes and ate only the kinds of food that were used in ancient Rome. The Freshman acted as slaves and served the second year class. The evening was so much enjoyed that this year's classes held a similar banquet. Again we had sport in imitating Roman costumes and foods. With no forks on the table the diners were compelled to use fingers and spoons in unaccustomed ways, thus adding to the general merriment.

Both years the Latin groups have prepared to sing Christmas Carols and other songs in Latin and have prepared short plays. As this is being written a play is being prepared for use in an assembly program which we hope those who hear will understand and enjoy.

This year two Latin clubs have been formed to act as sponsors of needy orphans overseas. It seemed suitable for students of a foreign language to be interested in helping unfortunate children who speak in foreign languages. Club No. 1 is sponsoring a boy in Finland while Club No. 2 has for its foster child a little Korean girl. Bene vale dicimus!

The History Club came into being as a direct result of the activities of the Citizenship Education Project. While working on a project "Locating Areas for Student Action," it was suggested that a group be formed to influence action in permissible areas. An organizational meeting was held January 26, 1952, with twenty-two students and a faculty member present. Charter officers were elected as follows:

President - - - - - Martha Wertz
Vice-President - - - - - Walter Stoll
Secretary-Treasurer - - - - - Shirley Lance

Other members of the history classes who helped the officers formulate the constitution were: Glenna Frase Dale Stoin, George Kelbly, Jim Swartz, Carolyn Lehman and Trenna Tinsler. A drive for charter members was started with results quite successful. It is hoped that this organization will promote mutual understandings, better school spirit, and more opportunity for student participation in school activities.

Sports Continued:

George Kelbly scored his lonesome basket of the evening with two seconds to go making it 43 - 42.

Dalton played their first overtime game of the season with Doylestown. When the final horn blew, the score was knotted 42 all. In the three minute overtime, Dalton outscored the Chipps six to three as we came back with a 48 - 45 victory.

In another overtime game with the Shreve Trojans the Bulldogs emerged victorious by a score of 50 - 45.

In the final game of the season, Smithville defeated Dalton by a score of 50 - 41.

Dalton drew Fredericksburg for its first opponent in the Wayne County Tournament. Dalton and the Freddie's were tied eight times and the score changed hands eleven times as neither team could pull ahead to a comfortable lead. The horn blew when the Freddie's were ahead 44 to 43.

Dalton met the Apple Creek Aces to open the first round in the consolation series. Dalton led all through the game as we proved superior to the Aces and won by a score of 52 - 46.

We next tangled with Burbank. When the final gun went off Dalton led 41 to 22.

Dalton met the Fredericksburg Freddie's for the second time in the tournament. The Freddie's jumped to an early lead, but Dalton came roaring back in the second half. The Bulldogs led 52 - 51 with five seconds making it 53 - 52 in favor of the Freddie's, thus putting Dalton out of the tournament.

Chorus Version

Refrain

Dear Dalton High, to thee our love we bring,
To thee our hearts and minds will ever cling.
Thy fame of other days, thy gifts so free,
Call us today to sing our praise to thee.

O'er land and sea, our hearts will ever be
The truest, bravest man can show to thee;
Our duty ever in our loyalty
To guard thy name through all eternity.

Chorus: Love and honor to old Dalton,
Our high school old and grand!
Proudly we will ever hail thee,
Over all the land.
Dalton High School now we praise thee,
Sing joyfully this lay,
Love and honor to old Dalton
Forever and a day.

Music

This year the Music Department brings to you the Band and Orchestra in a series of affiliated instruments rather than two large groups. The Band has shown great improvement due, in part, to two practices a week and also private instruction for various members.

The Brass section composed of trumpets, trombones, french, baritone, and bass horns, is one of the largest groups and their hard work has made Mr. Gerber justly proud of them. Saxophones are shown in a separate group.

The Woodwinds are represented in both Orchestra and Band. Glenn Showalter's new oboe added tone and quality to this section. Norma Schultz is the only senior in this group who has served five years in all instrumental types of music.

The Percussion section of Girls' Band, Orchestra, and Concert Band has distinguished itself by taking private lessons to improve their playing ability materially. Some real drummers are in the offing.

Vocally there are two active groups. The Mixed Chorus, composed of upperclassmen (in the main) also met twice a week this year. They sang at the Thanksgiving Program, made a recording for rebroadcast at WWST, participated in the County Vocal Musicale at Doylestown and at our own annual Spring Musicale.

The Girls' Glee Club, composed of Sophomore and Freshman girls, has met regularly and assures us there will be no scarcity of vocal talent in the coming years.

Bad weather slowed down the Baseball season of 1951. The Bulldogs were limited to only three games before the Wayne County Tournament began. We won two and lost one.

For our opener in the tournament, we drew Shreve. Dalton nipped them 2 to 1.

By downing Creston 4 to 3, the Bulldogs advanced into the finals.

Dalton was the runner-up by losing to Smithville 7 to 3 in the finals. For this we received a trophy.

Basketball

Clinton came to Dalton for our first game of this season for the benefit of Arthur Sapp, a former Clinton player, and who played for Dalton last year. Clinton proved a tough opener but the Bulldogs edged the Rams 41 - 37.

Dalton played their first away game at Mt. Eaton. The Pirates felt the fangs of the Bulldogs as they rolled to an easy 61 - 16 victory in which eleven of our players were in the scoring columns.

The Bulldogs got bucked by the Navarre Rams 46 - 51.

Dalton got back in the winning column by defeating Apple Creek 44 - 29 as the Bulldogs played their best defensive game of the season.

Traveling to Fredericksburg for our next league game we were overwhelmed by the Freddies as the score turned out to be 65 - 37.

On the road again the Bulldogs were edged by the Millersburg cagers. We led at the half 26 - 25, but fell behind in the third quarter as the Spartans kept rolling. The final score was 41 - 45.

On the local hardwoods the Bulldogs and the Beach City Pirates clashed in a non-league game. The score was 34 - 35 with Dalton on the short end.

Showing improvement over previous games, the Bulldogs toppled Rittman 62 - 50 in another non-league game.

Chalking up our third league victory, the Bulldogs swamped the Burbank Bombers 69 - 43. Bill Kerr led the Bulldog attack with 31 points.

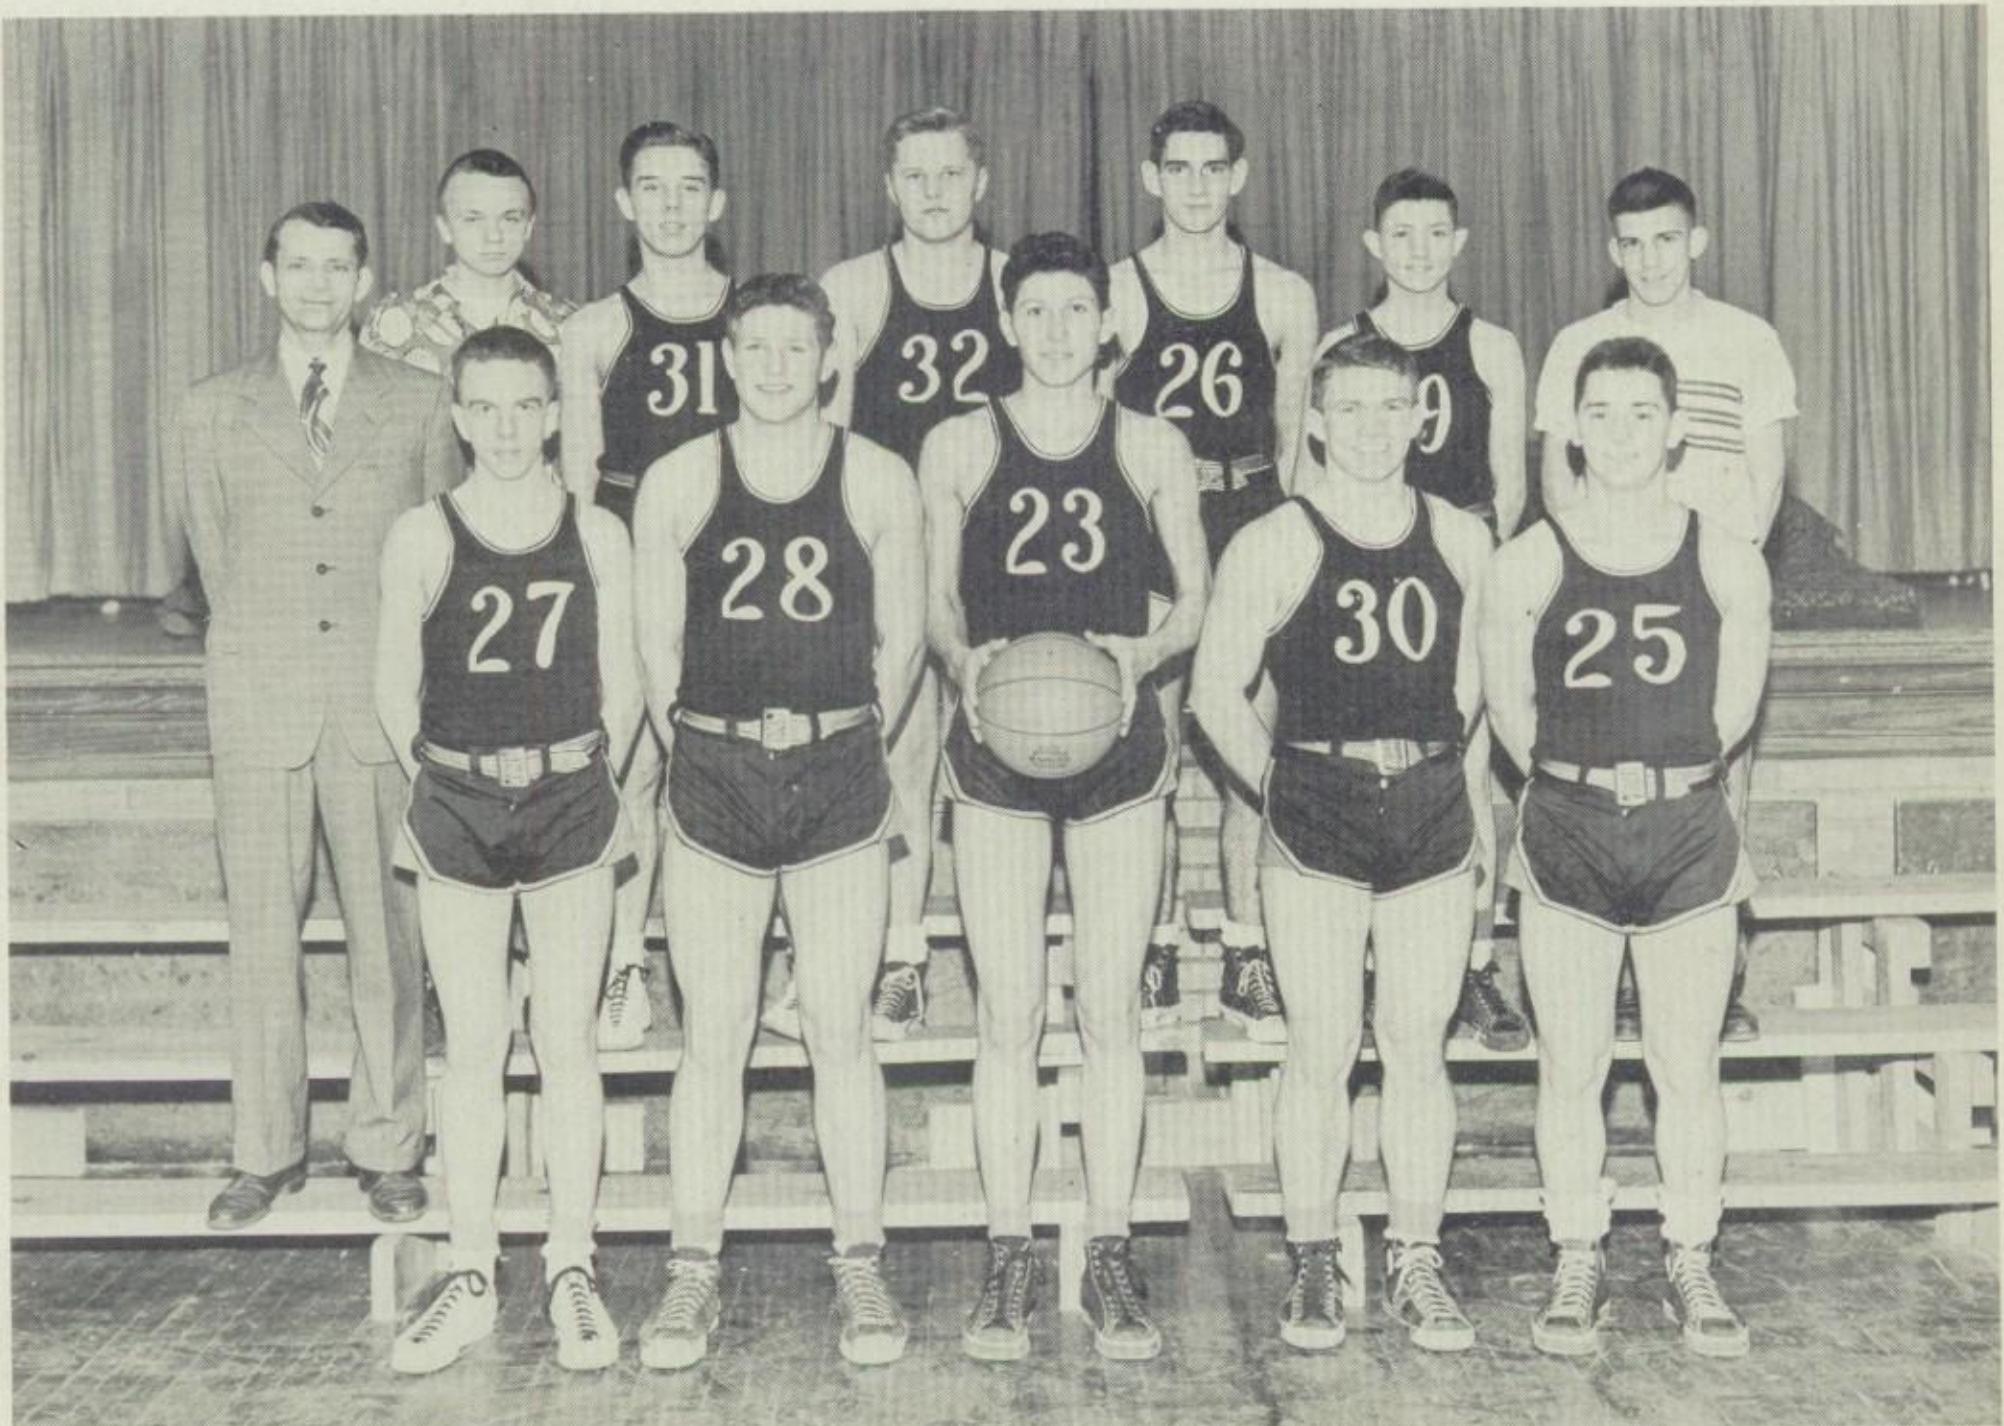

Dalton was the host to the Creston Panthers. The Bulldogs were downed by the Panthers 52 - 42 as Creston played their best game of the season.

By falling short in the third quarter, Northwestern was enabled to defeat Dalton 53 - 36.

The Bulldogs kept the Sterling Eagles checked for the first two periods, but with Don Bodager scoring 36 points, they pulled ahead to a 64 - 48 victory.

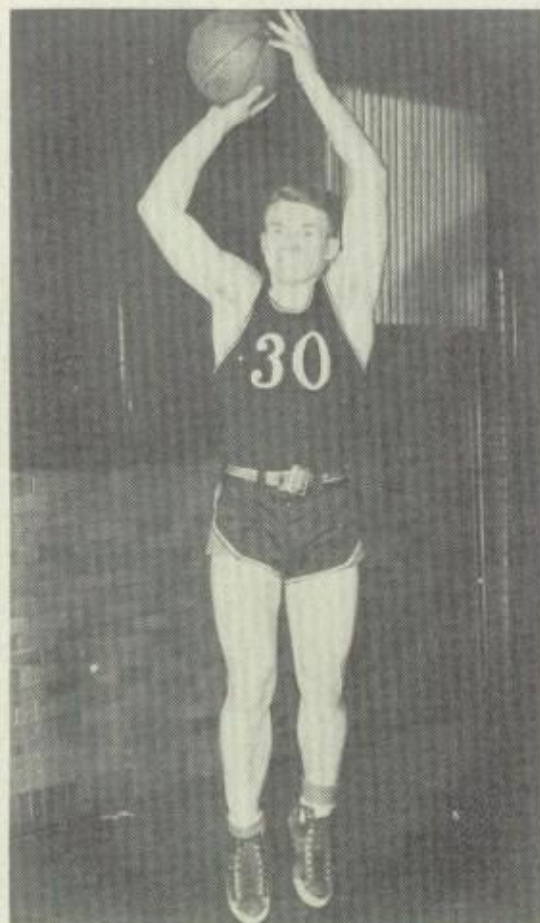

We lowered the boom on Orrville for our sixth victory of the season. The ball game was anyone's until

Football

**** Russ Gerber - Captain, fullback: With his power-packed body Russ ripped through opponents' lines often for big gains. He was a quick thinker as a defensive player which helped very much. He also was one of the county's leading scorers.

*** Ronald Amstutz --left tackle: Amy returned as a letterman this year and took the same position he held the year before. He hit his old style all through the season showing up as a valuable man both on defense and offense.

** Harold Hauenstein - right end: "Doc" was a valuable player both on the offensive and defensive. When the ball was in the air, he tried his best to catch it and usually did.

** Charles Lavering - left end: Nim was always fighting for the ball and he put forth every ounce of effort he had. He held the same position the previous year.

** Eugene Hazel - right half: Gene won the race for the right half spot and held it throughout the season except when he was injured. His speed and versatility proved valuable in gaining many yards on the gridiron.

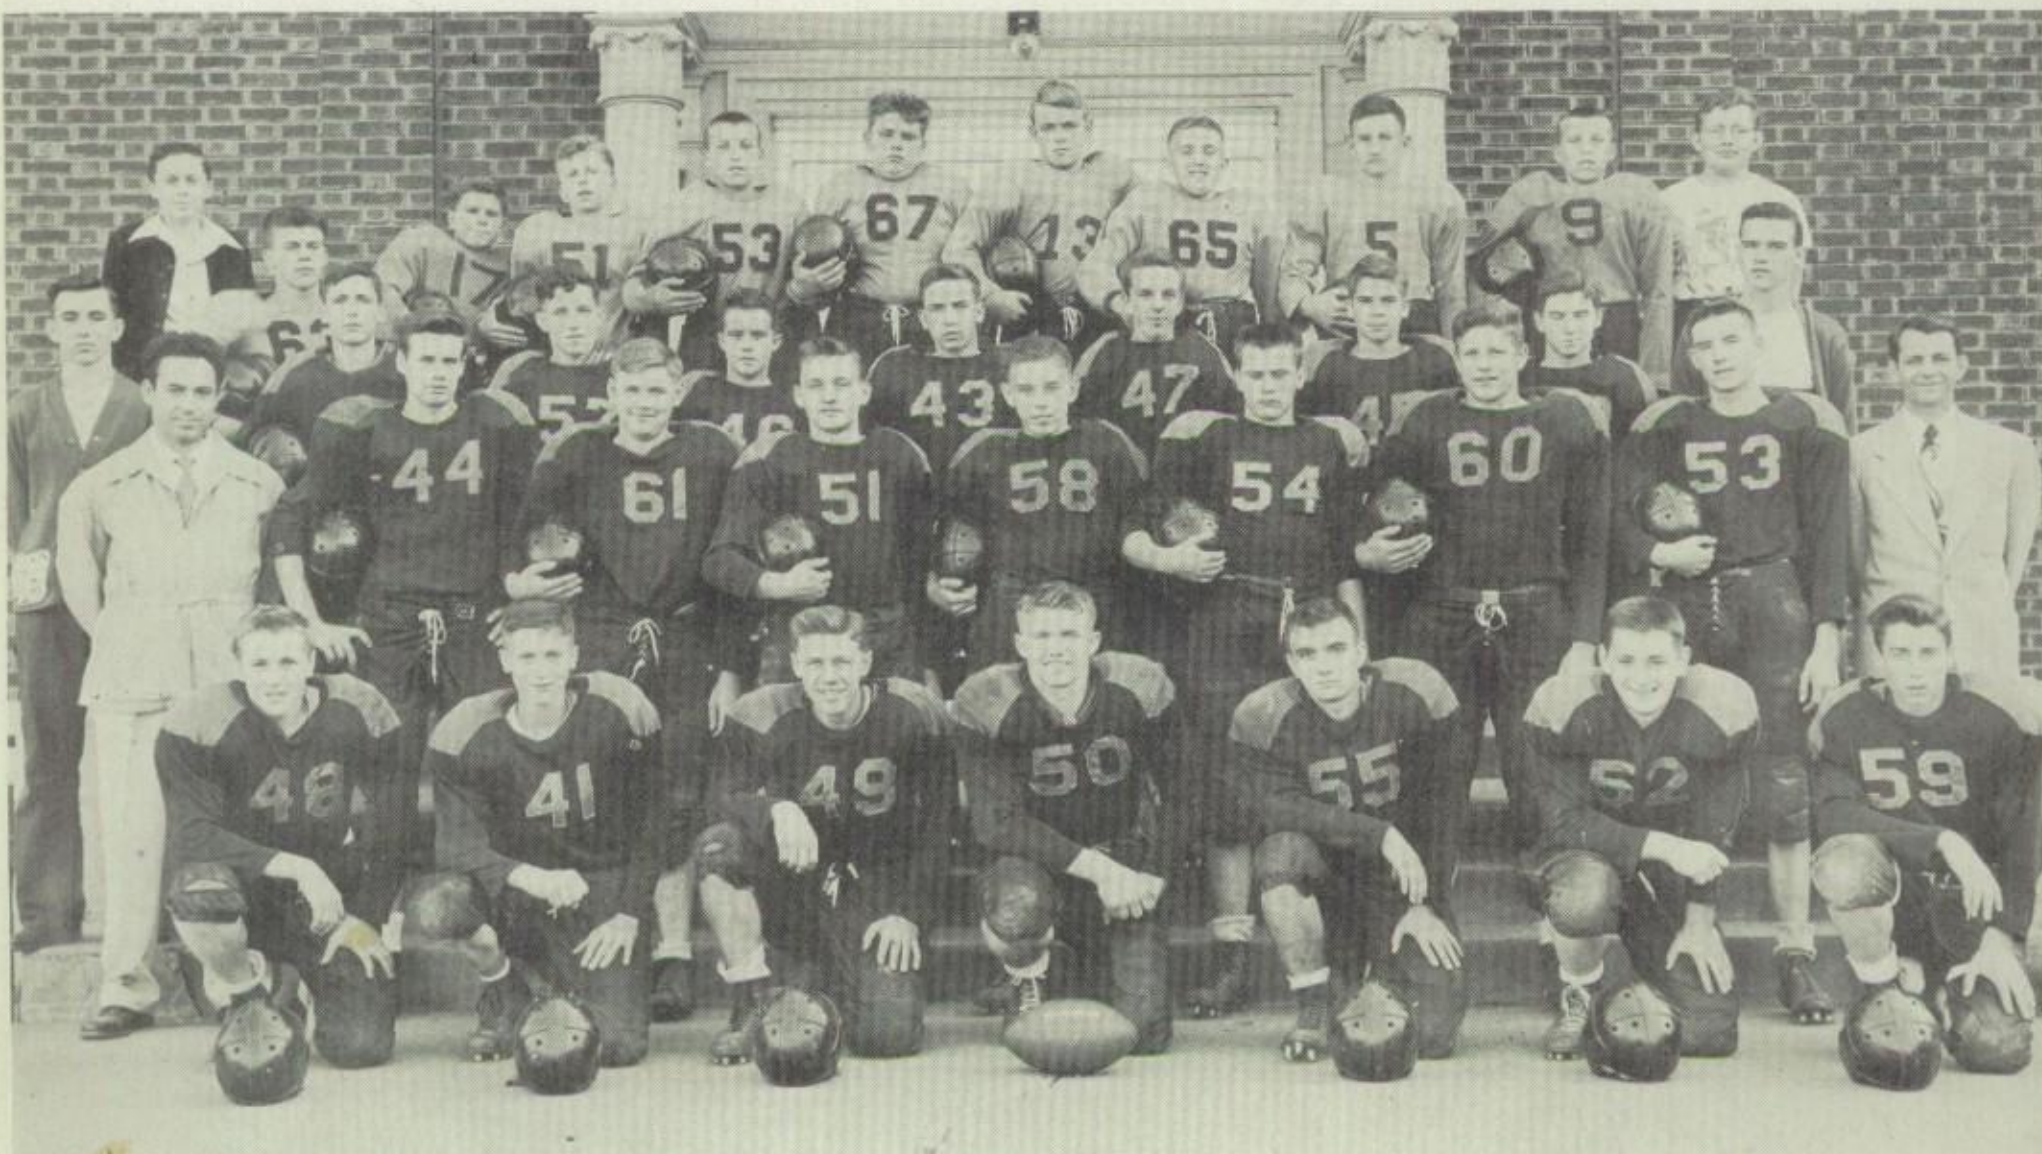

** Norman Moser - right guard: Norm used every ounce of his 160 pounds to charge into the opponents' line. It can't be said that he played an exceptional game in any one game on the schedule. He showed up well in all of them.

* Donovan Griffith - fullback: Griff was a great help to the Bulldogs until he was sidelined by two trick knees. He was missed a great deal by the team.

* Curtis Sprunger - end: Curt was a very good defensive and offensive player. His playing proved to be valuable to the team because he could fill in any spot in the line.

* Robert Ickes - tackle & guard: Icky was a good defensive player as well as offensive. He was usually in on every tackle.
